SOUTHERN COMPANY GENERATION COURSE

Southern Company requires PowerSafe Generation and PowerSafe Southern Company Generation Safety Culture to be taken prior to working on Southern Company property. Both courses are delivered via the web and at approved locations. (See location at www.powersafetraining.org)

Southern Company will accept PowerSafe Generation and PowerSafe Generation Proctored.

Note: Southern Company will NOT accept the ARSC Basic Orientation Plus (BOP) in lieu of the PowerSafe Generation Proctored.
