

WHAT THEY SAY:

PowerSafe will completely change the way Utilities are currently tasked with providing contractor safety orientation. From PowerSafe's ability to supply consistent, professional training, to its record keeping capability, it offers that one-stop shopping we are all looking for.

RAI and LWDIR numbers continue to improve for our employees and Contract Partners... PowerSafe has contributed greatly. **It works!!!**

BOBBY FORTENBERRY,
ENTERGY

The PowerSafe online training has saved us valuable time and resources. We now have each employee take the training **no matter where** we have them deployed. This has made it much easier to complete and every employee is compliant.

To Whom It May Concern:

Thank you for your interest in the PowerSafe™ program. PowerSafe exists to provide your employees and your contractor employees with the knowledge and resources they need to meet your safety goals.

We are proud of the accomplishments of the PowerSafe program and the role it plays in raising safety awareness. As a fundamental part of your comprehensive safety program, PowerSafe aids in the transfer of safety knowledge from seasoned employees to new employees. Developed by a group of utility owners and contractors, PowerSafe is the tool you need.

Our staff is dedicated to assisting you in keeping your employees safe and injury free. As a PowerSafe member you will receive discounts on all PowerSafe courses. You may also choose to take advantage of our in-house course development team, BluNoodle. Our team of e-learning experts can build custom courses specific to your company that can be delivered online through our secure Learning Management System (LMS).

PowerSafe is administered by the Safety Council LCA (SCLCA), a non-profit member association that has been providing comprehensive educational programs, seminars and training materials to improve safety awareness on the job and in the community for over 50 years. Visit www.safetylca.org to learn more.

We know that safety training saves lives. We are committed to bringing you the resources and programs you need to help your organization reduce the personal and economic loss associated with injuries and health hazards. As an added benefit, PowerSafe members receive discounts on any SCLCA training courses. Visit www.safetylca.org for a complete course listing.

Becoming a PowerSafe member in SCLCA is easy. Simply complete the attached application and return it with the membership fee. To learn more about our offerings please visit our website at www.powersafetraining.org. Should you have any questions please contact Tess Ventress at 877-345-1252, tventress@powersafetraining.org; or Nancy Simpson at 225-282-3292 nsimpson@safetylca.org.

Kind regards,
The PowerSafe Team
